

15th Virginia Cavalry

Richmond Sportsman's Club

August 9-10, 2014

The 15th Virginia cavalry invites you to the ACWSA skirmish on August 9-10, 2014 at the Richmond Sportsman's Club. This event has several dimensions that include the ACWSA charity event (Civil War Trust), ACWSA anniversary picnic, and lots of great skirmishing. There will be free camping for those wishing to stay for the weekend. Camping will open Friday August 8, 2014 at noon. Please be sure to take your trash home as there is very limited space that is reserved for used target materials in the dumpster. Food service will be available on Saturday and Sunday. Please email skirmish director David Mandy at djmandy@wideopenwest.com not later than August 1st so that we have an idea re targeting. We appreciate your best effort in this matter.

The picnic is scheduled for Saturday night –start time 5:50-6 PM. The 1st South Carolina will supply the main meat dish. Please be sure to bring you own plates, napkins, eating utensils, and beverages. In addition, this is a pot luck with the following items according to members last names:

1. A-G---salads
2. H-N---Hot side dish
3. O-Z---dessert

This is also our charity event—this year is the Civil War Trust. We would like to raise as much money as possible. We plan on having some fund raisers at the skirmish such as cannon/playing card most hits, golf ball mortar, etc. Please do your best to raise funds for this worthy cause on your own.
