

Dear ACWSA Member,

The members of the 8<sup>th</sup> Arkansas Vol. Infantry cordially invite you to the Richmond Shoot, June 11-13, 2010, at the Richmond Sportsman's Club. We are planning to make a full weekend of it by sponsoring all company events except artillery and breech-loading rifles. There will be a horseshoes tournament on Friday night if weather permits. We also will be showing a movie on Saturday night in the clubhouse to give you and your family something to do with the group. Popcorn will be available! Come out and have a great time with your friends.

Free camping will be available at the range. We ask that you use the porta-johns instead of the club house restrooms. If you are able to carry your own water supply, it would be helpful. Ground fires will be permitted, (if it is not too dry) but dig a pit and cover after. If you bring children, please keep an eye on them. Please help us out and clean your own camping area. Campers need to bag their garbage and take it home because space is limited and we don't want animals spreading trash around after we leave. Thank you.

Food and drink will be available on the range both days, including coffee and donuts each morning, and lunch each day. This will be provided by the Richmond Historical & Genealogical Society as a fund raiser for them. We hope that you will support the Society in their efforts to preserve and promote the history of Richmond area communities.

NOTICE: The range will open at 9:00 am Saturday in order to comply with local ordinances. Targets will be on sale at 8:45 am. We will be selling paper targets for practice.

Company Commanders, please send me an e-mail with an estimated registration of how many teams you think will be attending the event from your unit, along with any extra shooters you may have available. Please do so by June 6<sup>th</sup>, 2010.

We will do our best to provide you and you family with an enjoyable weekend, so come on out and break some targets! If you have any questions, please e-mail me:

Thank you,

John Schember
